Sub - Unavailability of my Appointment letter and  
1st joining letter.

Sir,

With due respect, I would like to inform you that, a couple of years ago, during the summer vacation period under the action of thundering and severe rainfall my quarter suffered a vicious set back and a lot of my personal documents present in my table were destroyed along with other materials. Due to the much less necessity of my Appointment letter and joining letter in the day-to-day life, I was unaware of the spoiling of my Appointment letter and 1st joining letter lately. So, I am unable to present it before the authority. I will be greatly thankful if you could solve the undersigned issue.

Thank you.

Appointment order no - ED/325/PT/1993-94

Yours faithfully,
