Dear brother/sister,

Namaskar and hearty greetings on Varsha Pratipada.

With due sincerity and spirit, I congratulate you on the conclusion of the current Academic session 2006-07. The session indeed has been very long and packed with various activities at the school, district and state levels. Other than the regular school activities, the participation and inspiring performance in the State Sports Meet at Likabali, Balika Shivir and Girls Band Training Camp at Pasighat, Girls convention at Itanagar have boosted the morale of our students as well as us.

It needs hardly be said that all these haven't been possible without your active performance and cooperation. And I am greatly thankful to you for it. Though we strived our best to give you all the benefits in return and in time, I regret to you inform you that some amount is still due to paid to you. I do further assure you that the dues will be cleared latest by the first week of April 2007. The inconvenience caused is sincerely regretted.

I do also hope that by working with ASVS you too would have found it pleasant and were benefited in terms of enriching your knowledge and upgrading abilities as a teacher. The Acharya Prashasthi Shiksha at Naharlung in June and the Teachers' Proficiency Development Camp at Pasighat in September were some of our little efforts towards this direction. These programs can be termed successful only when you achieve the required level of proficiency and professional maturity.

And now, let me take the opportunity to also inform you that your contractual appointment as a Part Time Teacher at KGBV MISSEM expires on 31st March, 2007 as per the conditions laid in the appointment order provided to you. While appreciating you for all your positive and constructive performance, I am happy to inform you that the Samiti will consider your application for re-appointment subjected to the requirement and your willingness to work in any school with any given assignment. Any message to this effect will be conveyed to you by the middle of May 2007.

Let me also inform you that the district SSA authority has authorised the DIET, Pasighat to organize a 20-day Teachers Training Camp for the teachers of the KGBVs and other SSA assignees. You will have to attend the camp, if directed, as and when conducted and hence you are expected to keep in touch with this office during vacation.

With best wishes for a pleasant vacation and sincere prayers for a bright career ahead.

Yours brotherly

(Ashokan K.V.)
