नोट/Note: - Grades, marks or points are not to be taken into consideration for the purpose of promotion or transfer.

The CGPA is the average of Grade Points obtained in all the subjects including additional GP subject in the Scheme of Studies.

The list of institutions where you took all subjects at Secondary/Pre-Secondary level is given below.

For inclusive computation of Grade Point and Percentage of Marks can be computed as follows:

1. Average mark of Institute/College = 0.5 x 400 = 200. Subject wise inclusion percentage of marks = 1/4 GP of the student.

2. List of all the Institutions/Colleges = 0.5 x 400 = 200. Overall inclusion percentage of marks = 0.5 x CGPA.
